

Approved Real Estate Agents

If you are an Eligible Property Owner who chooses to participate in the Interim VAP and lists your Eligible Property for sale after September 18, 2023, you must use an Approved Real Estate Agent to list and sell your property. Participation in the VAP is voluntary, and you do not have to sell your property. For important eligibility criteria and program requirements, please see the Interim VAP Booklet.

If you are a real estate agent that would like to participate as an Approved Real Estate Agent for the VAP, or you are a property owner that would like to recommend a real estate agent as an Approved Real Estate Agent for the VAP, please contact the VAP Administrator at PropertyAdministrator@alvarezandmarsal.com or (877) 270-6970 (toll-free voicemail line).
